To this juice, a perfect balance of sugar and citrus touches is added to highlight the natural sweetness and acidity of the apple, creating a non-alcoholic beverage that maintains a richness of flavor and complexity worthy of a crafted cocktail.
- **PRODUCTION PROCESS:** In addition to green apple, this cocktail may include elements such as fresh herbs or subtle spices to complement and enhance the flavor profile. Ingredients like mint or rosemary could be used to add freshness, while spices like cinnamon or vanilla could introduce warm and comforting notes.
